What is the Local Offer?

The Gateshead Local Offer brings together information for children and young people with special educational needs and disabilities (SEND) and their families. This includes information about services and support, and advice and guidance on education, health, social care and transport. The SEND Team at Gateshead Council have worked in consultation with young people and families across the local area to upgrade and improve Gateshead's Local Offer website to make it more friendly, accessible and easier to navigate. Access Gateshead's SEND Local Offer website at gateshead-localoffer.org

In Gateshead, we want to make sure that children and young people with Special Educational Needs and Disabilities (SEND) get the best services we can possibly provide.

Gateshead's Parent Carer Forum have started working with Gateshead Council's leisure services to gauge current participation and interest in SEND leisure provisions. To help us develop these provisions, we want to ensure that the views and experiences of parents and carers are used to inform and improve the services that we offer.

Thank you for taking the time to complete this survey. Please complete the following questions as honestly and accurately as you can. The survey will take no more than five minutes.
